Dear parents,

Our school leaders and sport leaders were inducted at a special assembly last Friday. It was lovely that so many family members could attend to celebrate with the students at this important time. It is often difficult to organise time around working hours and commitments and we do appreciate the support of family. The students enjoyed the morning tea afterwards with their visitors. School leaders are; Charlie Robinson, Emily Paton, Bayden Sproule, Pepper Moore, Scott Rudge, Lachlan Armstrong, Tomas-Grunsell-Richter, Annabel Folie, Sean Pobie and Ella Morison

Congratulations to all the students who received ribbons as a result of their participation in the annual swimming carnival. Mr Gattenhof is busy selecting our zone team at the moment and calculating the student champions in each age group. Every child who swims helps their house by earning points and the level of participation was excellent. Teachers were pleased with the behaviour of students which is always appreciated. Thanks to the parents who attended for support and/or to help with organisation tasks. Your time is valued.

Kindergarten

Last Wednesday we welcomed our 2013 kindergarten students and there were very few tears (at least from the children...parents were a different story!!). They are a very settled, mature group who attended the big assembly on Friday without too many anxious moments. Maybe it is a reflection of the increased number of students who attend a pre school facility and have developed independence and resilience at a very young age. This seems to make the separation from parents and transition to school more natural and less difficult.

We do recognise that school is more formal, very structured and much longer hours over the week so students will be tired and maybe teary after a couple of weeks as they come to terms with the permanent nature of attendance. It is very important that children eat well, have sufficient rest and attend regularly to establish those good habits from the beginning.

Parent Information Nights

Each year the teachers make themselves available to introduce their organisation and expectations for the year to the parents of their new class. It is not a parent interview time for individual students and parents are encouraged to make a separate appointment if they have specific concerns or issues to discuss with the teacher.

This year our parent information nights are next week:

Monday 18th February – 3K, 3B, 4E, 4M. Please meet in 3K classroom for initial information and then each teacher will take parents to their own classroom.

1-6P meet in Mrs Pearson’s classroom

Tuesday 19th February – KO, KW, KGM, K/1M, 1P, 1M, 1/2H, 2J, 2G, 1-6J and K-1C. Please proceed straight to the classroom of your child.

Wednesday 20th February – 6G in the classroom

Thursday 21st February – 4/5H, 5T, 5/6C, 6L. Please proceed straight to the classroom of your child.

All sessions commence at 6pm and conclude at 7pm and a crèche is provided for toddlers and young students. Signs will be placed near the hall to direct parents and the P&C will have a table for information and help.

Book Packs

Thank you to all the families who have prepaid for the book packs. Most of the students have received them and classes are using the items already.

If you haven’t paid for the pack and you would like to purchase from the school – please pay at the office. Parents are able to purchase their own individual items on the list if they prefer. Please be aware that we cannot separate our book packs. There are some specialist books and the maths textbook (yrs 3-6) and handwriting (K-2) may be difficult to purchase locally. They are available from Kookaburra with an additional postage cost if ordered online.

If you require financial assistance to purchase the bookpack, please advise the principal in writing as soon as possible and all requests remain confidential.

Boom Gates and Parking

Firstly a big thank you to all the parents and carers who have complied with the parking rules on our site to make it a safe environment for students and staff. When we consider the number of people who enter and leave this site every day, there are very few issues and this is the result of the cooperation of the majority of parents who respect the need for strict traffic control.

Please remember:

7.30am – 9.30am – no parking on site for parents & visitors. Stop & drop zone operates in front of school where parents can stop for up to 3 mins, let children out and drive off. You cannot move more than 3 metres away from the car. Parents who have permission and appropriate authorisation vouchers may enter the special education area to drop off & pick up students. Parents who need to enter the school or office need to park in the pool carpark.
9.30-1.30 – very limited parking along the front driveway of the school. Observe the council signs. Overflow parking in pool car-park.

After 2.30pm – boom gates are opened and any spaces vacated by high school staff in the carpark can be used by parents when collecting students. Please do not park in the TAFE area as classes often commence in the afternoon.

Disabled parking – if you have a disability parking authorisation and you need to attend school events or meetings from time to time, please provide a copy of your authority to the front office and your name will be placed on a register. This will enable you to use the disabled parking spots in the carpark. Use the intercom speaker at the boom gates to contact reception and advise them of your name.

Collecting students in the afternoon – if you are collecting students, they are required to wait near the canteen where there is teacher supervision until parents come in and collect them. Please do not ask your child to meet you in the carpark or run out to the car – it is extremely dangerous at that time of the afternoon.

Arrival at school - students should not arrive at school before 9am when teachers officially arrive on duty. The YMCA operates an Outside School Hours Care program in the school & they supervise students before and after school hours. Parents can register for regular or casual care and information is available in the office.

Special Education area – as our special education classes are full and the number of students with diagnosed disabilities in mainstream has increased, the pressure on car movement in the special education area has also increased. This has resulted in some unsafe driving behaviours and placed students, staff and parents at risk. All users of the special education area require a white authorisation card from the office which must be displayed at all times, parents must drive around and stop parallel to the wall (not nose in), there is no parking around the sides of the roundabout and parents cannot stay in the park for extended periods of time (for meetings etc).

Keel Street – we have had a number of complaints from the residents in Keel St and Cabin Close about parents parking in those streets and on lawns to pick up students. If you are using the back entrance to the school, parking is on Bagnalls Beach Road – it is too congested and unsafe in the narrow streets behind the school. This is an agreement between council and the residents since the opening of that entrance several years ago that the school community must respect. Thank you for your cooperation.

Assemblies & Awards
At the end of last year the staff discussed making changes to our formal assemblies on Fridays due to our increased numbers and the length of the assembly. We also gathered feedback and opinion from parents about assemblies through the annual survey. As a result of the majority of opinions, we will trial changes to our assembly and review them at the end of the year.

Assembly this week (15th February) is a 3-6 assembly at 9.30am in the hall.

Awards - We have also reviewed the awards that will be presented at the different assemblies or in some other format and there will be some changes to our processes in the future. Parents were also surveyed about our award system in the annual survey and their feedback is highly valued when we develop the changes.

More information will be provided in the coming weeks.

I look forward to working with you again this year as principal and it already promises to be as busy and exciting as every other year.

Regards
Annette Thomson

THE FULL VERSION OF OUR NEWSLETTER IS AVAILABLE ON THE WEBSITE –
www.tomaree-p.schools.nsw.edu.au

You can access the newsletter by:

Adding the website address to your favourites and downloading it each Tuesday or visiting the website regularly.

Requesting that an email be sent to you each Tuesday with either the link or the full newsletter attached.

Please contact Michelle K in the office to give your current email address and make the request.

Requesting that a hard copy of the full newsletter be sent home with your eldest child each week - you only have to make this request once and the hard copy will be sent home each week. If you wish this to happen, please contact Michelle K in the office or your child’s class teacher.

Our first meeting and a light supper will be held on Wednesday 27th February at 6.30pm in the staff common room. Everyone is welcome to come along and hear what we achieved last year and what we are hoping to achieve this year. It would be lovely to meet some new parents and see some familiar faces this year.

Thank you

I NEED VOLUNTEERS PLEASE!! Especially for Thursdays and Fridays. Come in asap and get your name on the roster…your kids will love seeing you in the canteen and we do have a laugh amongst the sandwiches!!!

We are straight back into things with the summer menu still current. There are some problems getting the roasted drumsticks and so they are off the menu for now.

Congratulations to everyone for their great efforts in the swimming carnival last week. Well done!!

All the best

**2013 Swimming Carnival**

On Monday 4th February our annual swimming carnival was held at Tomaree Aquatic Centre. Luckily the weather cleared and the sun stayed out for the day. “Well Done” to all the students who participated in the major races as well as the novelties.

CONGRATULATIONS to STEPHENS, the winning house for the fourth year in a row and winners eleven times in the past fourteen years.

“Thank You” to the parents who acted as officials and who helped set up & pack up. Your help is always appreciated.

Ribbons were presented to final placegetters last Friday as well as the house trophy to the Captains & Vice Captains.

Individual Champion Trophies will be presented in a few weeks. Winners will be notified beforehand.

The Zone Swimming Carnival is on Friday 1st March at a venue still to be decided. Students who qualify will be given all details as soon as they come to hand.

IMPORTANT INFORMATION REGARDING DOGS AT SCHOOL

Section 14 of the *Companion Animals Act* (1998) prohibits dogs on school grounds except where the principal gives permission. Dogs must be kept on a leash in school grounds.

When selecting dogs to visit schools, particular attention should be given to the suitability of the dog’s temperament. Dogs that have difficult temperaments and are fearful, timid or dominant, should not be used in the school situation.

Any dog that has been declared dangerous under section 33 of the *Companion Animals Act* must not be allowed on school grounds. Local councils retain this information.

When dogs visit a classroom, it is inappropriate to subject them to any procedures other than observation, discussion of behaviour and limited, well-supervised handling.

INSTRUMENTAL AND BAND PROGRAM

Band will recommence Friday week 3, 15.2.13 for those students with an instrument. Unfortunately we are still waiting on some instruments to come back from servicing. Please note hire charges will be adjusted.

Instrumental lessons will recommence in week 4, Tuesday 19.2.13. Hopefully all instruments will be back by then. Instrumental lessons for new students will also commence on this day.

Looking forward to another great musical year!

Mrs Gibson.

Impetigo is an infection of the skin caused by either Staphylococcus or Streptococcus bacteria. The symptoms of impetigo are either small blisters or flat, honey-coloured crusty sores, on the skin. Impetigo is sometimes called ‘school sores’.

How are they spread?

Boils and other skin infections are spread between people by:

- squeezing, scratching or through contact with an infected area
- using unwashed clothes, towels, or bed sheets that have been used by a person with a skin infection
- using grooming items (eg nail scissors, tweezers, and razors) that have been used by a person with a skin infection
- not washing hands carefully

How can you stop the spread?

Hand washing is important to prevent the spread of boils and skin infections.

- You should thoroughly wash all parts of your hands with soap and running water for 10-15 seconds
- before & after touching/dressing an infected area before handling or eating food
- after going to the toilet
- after blowing your nose
- after touching or handling unwashed clothing or linen
- Keep cuts, scrapes, and boils clean and covered to avoid infection
- Don't share personal items such as clothes, towels, or bed sheets (if you share a bed with someone, keep sores or wounds covered overnight) or grooming items such as nail scissors, tweezers, razors and toothbrushes
- Wash bed linen and clothing regularly

How are they diagnosed?

Most skin infections are diagnosed on the basis of their appearance and the presence of any related symptoms (eg fever). Your doctor may take swabs or samples from boils, wounds, or other sites of infection to identify the bacteria responsible. Some infections may be caused by bacteria that are resistant to some antibiotics. See the MRSA in the community factsheet for detailed information on infections caused by antibiotic resistant strains.

How are they treated?

Keep boils or other skin infections clean and covered

- bathe the boil or sore with soap and water or a salt water mixture
- apply a hot compress to encourage the boil to come to a head
- keep boils and other skin infections covered and change regularly

Do not squeeze boils

Drainage of skin boils or abscesses should only be performed by a doctor or trained nurse or health worker

In some circumstances infections may require treatment with antibiotics

If the sores spread or get worse, or the person becomes unwell with fever, see your doctor for further advice on treatment. Your doctor may prescribe antibiotics (by mouth or as an ointment). It is important to follow the recommended treatment and finish the full course of antibiotics.

EXPERIENCE ANOTHER CULTURE IN 2013 AND IMPROVE YOUR LANGUAGE STUDIES AT HOME

In June-July students from over 20 countries around the world will be arriving in Australia to study at local high schools for 5 or 10 months. Opportunities exist for families to act as a host family, in a volunteer capacity. Hosting can be on a temporary, short or long term basis. Host families help provide international students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill. If your family can offer a friendly, supportive and caring home environment, contact us today.
