UNIFORM POLICY
Tomaree Education Centre “Forward Together”
Primary School Policy re: Student’s Uniform Requirements
Implemented 2008

Uniforms should reflect school community standards and be consistent with occupational health and safety, anti-discrimination and equal opportunity legislation.

Fully enclosed appropriate footwear must be worn at all times by students.

The Dept of Education and Training supports the wearing of school uniforms by students and the upholding of high standards of dress by students.

Our school uniform consists of a limited range of clothing including footwear and headwear. It identifies our students as belonging to our school. The whole school community has a role to play in encouraging the meeting of these standards.

Positive reinforcement and encouraging responsible behaviour are the preferred approaches to ensuring students wear the school uniform. Responses to students who do not wear the uniform correctly will be appropriate.

ie: the child is spoken to by staff.
the child is asked to provide a note from parents
2nd hand items will be provided if possible and a note is sent home for parents to sign and return

If the family is unable to provide the uniform due to financial reasons- the school will provide assistance as necessary. If incorrect uniform continues to be worn, participation in some activities may be withheld for occupational health and safety and duty-of-care reasons.

Students who are representing the school should be in correct school uniform.

The school’s uniform policy and uniform requirements should be reviewed at least every 5 years and amended where necessary.

Boys: Monday – Thursday. School uniform
